

Domain Appraisal Certificate

This is an official Saw.com document
verifying your domain valuation

Domain Name: **Onetv.org**

Estimated Domain Value: **\$7,000**

Effective Date: **02-05-2023**

Here's a breakdown of your domain value:

- * It could confuse potential customers if the business is not a nonprofit.
- * Creates instant trust and credibility.
- * There are no requirements to be a nonprofit to own a .ORG
- * The universal extension for non profits.
- * This domain is highly memorable and easy to spell. These factors increase the value.

Saw.com Is a Tried & Tested Domain Broker You Can Trust

We Offer a Suite of Services Tailored To Your Needs

Domain Acquisition

Saw.com helps your business purchase a premium domain for the best price. We source viable options, negotiate and acquire the ideal address for your brand – all so you end up with your perfect solution through a seamless, transparent process.

Appraisal Services

Our team of experts can help with all aspects of domain appraisal. Just submit your names to our brokerage and we'll contact the domain owner. Once the appraisal is delivered, we'll schedule a call to review the findings and consult on next steps.

Portfolio Representation

If you own a portfolio of investment-grade domains, we can optimise your sales strategy through data, infrastructure and experience. From outbound marketing to lead follow-up and everything in between, we're a white-glove service like no other.

Why Choose Us?

Extensive Experience

Saw.com is full of experts who have worked with recognizable brands and contributed to \$500m+ in domain transitions and blockbuster sales.

Intimate Service

Saw.com only collaborates with companies who we feel can gain the most impact out of our services. We're not a high-volume shop.

Always Transparent

Saw.com consistently ensures transparency, integrity and a seamless process. We'll always be upfront and honest about your domain.

Proven Track Record

Saw.com is the industry leader in selling and buying domains and has experience like no other when it comes to every aspect of brokerage.
